Alexandru Neacsu

21 Years Experience | Technical Leadership | Emerging Tech Expert
(Yes. Including A.I.) | ChatGPT Beta Tester in 2020, also dabbled in
prompting ELISA back in the early 2000s
Bucharest, Bucharest, Romania

Summary

Highly experienced Technical Leader and Solutions Architect with 21+ years delivering complex software across fintech, e-commerce, media, and SaaS industries. Served 8 years as CTO at Cybertech, leading cross-functional teams of up to 20 engineers while managing cloud infrastructure, AI integration, and full product lifecycles. Deep expertise in AI/ML tooling (LLMs, RAG pipelines, vector databases, generative AI), cloud platforms (AWS, Azure, GCP), and modern DevOps practices. Proven ability to translate ambiguous business requirements into scalable, maintainable architectures. Also, I tested ChatGPT in 2020 before it was cool... or released to the public ...
